Тема: Workshop on PDEs, Nizhny Novgorod, Russia, July 2-9, 2017

Dear Colleagues,

Let me inform you that I am organizing a Workshop “**Infinite-dimensional dynamics, dissipative systems and attractors. 2**” as a part of the 4th international conference “**Dynamics, Bifurcations, and Strange Attractors**” at Nizhny Novgorod, Russia, July 2-9th, 2017 and you are very welcome as our invited speakers! See the official web-site at <http://nonlin.unn.ru/en>

Please, contact me if you are planning to participate. Please, note that foreign participants would need a Russian humanitarian visa covering the period the conference is held. In order to obtain the visa, you will need a formal invitation from the Nizhny Novgorod University. The invitations will be prepared by Alexey Kazakov. Since this procedure requires some time, please contact him by e-mail kazakovdz@yandex.ru

as soon as possible. You may also ask him if you need travel advice and help with hotel booking.

Looking forward to hear from you,
Sergey Zelik

P.S.: Please, also distribute the information about this workshop among your colleagues.
